Lesson prerequisites

Matchmaker assessment

About this lesson

An introduction to how interests align to different careers.

Learning objectives

By the end of this lesson students will:

- complete the first 39 questions of Xello's **Matchmaker** quiz
- understand and reflect on their career matches in Matchmaker
- use **Find out why** to understand how their interests impact their career matches

Inquiry prompts

- How can I decide which type of career is best for me?
- How can my interests impact what type of career interests me?

Before you begin

- Ensure that you are able to log into your student demo account on Xello, have completed Matchmaker Phase 1, and have your results ready to share with your class.
- 2. Ensure that students are able to log into their accounts and access **About Me**.
- 3. Decide whether to share directions and take notes with your class via a slide deck and project for students to view, or on a whiteboard in the physical classroom.
- 4. Create a Xello **Assignment.** This is where students will submit their reflections at the end of class.

Teaching strategies

- Display the results of your own **Matchmaker** assessment. Take a few minutes to discuss your matches with the class.
- 2 Show your class the <u>Understanding Your Career Matches</u> video. Discuss takeaways when you are finished.
- 3 Model clicking on Find out why for one career. Taking suggestions from the class, write down 3-5 careers, either on a whiteboard or on a slide. As a class, brainstorm personality traits and interests that would align with each career.
- 4 Review the answer scale (Like Very Much to Dislike Very Much) before directing students to their Xello dashboard to complete the first 39 questions of Matchmaker.
- Once students are finished, have them reflect on the following questions in their Xello Assignment:
 - Was there anything that surprised you about the results of your **Matchmaker** quiz?

Materials required

- Computers or tablets with Internet access
- Whiteboard and whiteboard markers OR slide deck to use collaboratively (optional)
- Understanding Your Career <u>Matches</u> video

Artifacts

Students:

• complete the Matchmaker assessment in About Me

Lesson prerequisites

Matchmaker assessment

- How did clicking on **Find out why** help you understand your level of career match?
- What is one example of how your interests impacted your career matches?
