

Interest Share

Student Instructions

What interests do I share with others in this class? Are there opportunities I'm not aware of in our school or community where I can explore my interests further or try new interests out?

- 1 Review the class **Interests** spreadsheet provided by your teacher. Do any of your interests appear in the top 10? Are there any interests that peak your curiosity? Add at least one new interest to your Xello profile.
- 2 For 3 interests on the spreadsheet, identify a community opportunity inside or outside of school that would provide the space and experience to explore it. Consider opportunities you've been a part of that others may not know about. If the opportunity has a website, social channel, or contact person include the details.
- 3 Gather 3 community opportunities that interest you and add them to your Xello **Storyboard**. Explain how the opportunity would help you explore a new interest or develop one further.
