

## My motivators

---

### Student instructions

Whatever you value, knowing what's important to you can set you on the path to a career you'll find satisfying. Your values can even help guide your job decisions while you're in high school. Look at your current experiences and ask yourself: what motivates me to show-up, persevere, or choose to be there?

- 1 In Xello, review or add 3 current experiences to your **Experiences** timeline. These experience can fall into any category: **Work, Volunteer, Education, or Life**.
- 2 Within the **What I liked** field, record what motivates you to succeed or persevere in this experience.
- 3 Consider the types of motivations you recorded for each experience and how they may link to your saved careers. Bring your thoughts to a peer or class discussion.
