

My Achievements

Length
15-20 Minutes

Inquiry Prompts

- What have I done that I'm proud of?

Before You Begin

1. Ensure that you are able to log into your student demo account on Xello.
2. Ensure that students are able to log into their accounts and access **About Me**.
3. Decide whether to take discussion notes with your class via a slide deck and project for students to view, or on a whiteboard in the physical classroom.

Teaching Strategies

- 1 As a class, define “Achievement.” Ask students to share their personal definitions of the word before discussing as a class and agreeing on a definition.
- 2 In your student demo account, model adding an **Achievement**. Explain why you chose to save this achievement.
- 3 Have students make a short list of things they have done that make them proud.
- 4 Allow students time to log in to their account and add their **Achievements** to their **About Me** page. Each student should save at least 1 **Achievement**.
- 5 Have students reflect on the following question in a class discussion:
 - Why is it important to reflect on things that make you proud of yourself?

Materials Required

- Computers or tablets with Internet access
- Whiteboard and whiteboard markers (optional)

Artifacts

Students:

- save at least 1 achievement in **About Me**
