

Coming soon!

Sorry, this resource isn't ready yet! We're hard at work creating new resources so check back again soon.

In the meantime, check out the following page on the [Xello Support](#) site for available lesson plans, guides, and classroom delivery aids:

[Teaching resources for Xello](#)

- These resources include lesson plans to support Xello **Lessons** further, information to share with parents/guardians, extension activities that build on the work students are already doing in Xello, and other shareable resources.
