Student instructions

Now that you have a clearer idea of what your priorities are when choosing a university you can revise your plans to help you achieve your higher education goals. Complete the following in Xello:

1 Confirm the universities you've saved in Xello match the priorities you identified in the Xello lesson Choosing a university. Refer back to your lesson responses by reopening the lesson to review:

- Part 3: Institution Intuition
  Do your saved universities meet your personal preferences for:
  - Location
  - Student life
  - Services and facilities
  - Courses
  - Campus setting
- Part 4: Your university must-haves
  Do your saved universities rank well on your most important factors?

2 Remove any saved universities that don't reflect a good match to your personal preferences or important factors.

3 Update your **My plans** in Xello's **Goals & plans** section to reflect your higher education providers of choice.
NOTE: If you haven't already created a plan in Xello, follow step 4 to start one.

- **Edit** the plan to reflect university preferences
- Within the text field of the plan, add a short reflection explaining how the chosen university in your plan meets your personal preferences and important university factors.

4 HOW TO CREATE **MY PLANS** IN XELLO:

- Under **Goals & plans** select **My plans** to create a **+ New plan**
- Select **College or university** as the starting point and follow the prompts
- Return to step 3 to complete this activity
